### About me:

Software and web developer with experience in various programming languages, including Python, Java, SQL/PL-SQL, PHP, JavaScript, .Net, C#, and Bootstrap. I am passionate about the world of technology and always seeking new challenges and learning opportunities. As a software and web developer, I excel in my dedication to achieving high-quality results and meeting established deadlines. I am capable of working effectively both as part of a team and independently. I am committed to contributing my experience and skills in dynamic software development environments.
